## CLIENT SUCCESSES

- Since 2002, RGI has delivered outstanding business, technical, and operational services in support of federal clients and programs. This includes three consecutive contracts providing logistics, financial, records management, administrative services, flight dispatch, aircraft maintenance, training, and software application support services to the **Federal Aviation Administration (FAA) Flight Program Operations** at multiple locations across the U.S.
- Over the past decade, RGI has supported 30+ **commercial clients** with project management, customer experience management, technical writing and editing, training design and delivery, system customization and deployment, account and contract management, and strategy development and implementation support services.
- RGI's principals average over 25 years hands-on experience leading project and service delivery efforts across the federal government, including support for the Departments of Agriculture, Commerce, Defense, Energy, Interior, Labor, and Transportation.

## PROVEN LEADERSHIP

### Sheri Ridgeway, Chief Executive Officer

Sheri has spent the past 20+ years serving government and commercial organizations in accomplishing their technology and business objectives. She provides daily oversight of RGI project delivery, customer experience, and communications. Her strength is bridging the gaps that often exist among leaders, customers, and teams to deliver project and operational results consistently. Sheri earned a Bachelor of Science from the University of Colorado.

### Ross Ridgeway, President

Ross draws upon his experience as a federal employee and as a leader in service-oriented companies. His roles have ranged from software developer to project manager to business executive. He excels in guiding teams to create and implement solutions that address complex, mission-critical needs. Ross is a PMI-certified *Project Management Professional* (PMP) and earned a Bachelor of Science from the University of Oklahoma.

### David Geuting, Senior Vice President

Dave served 30 years in the U.S. Air Force, leading operations in IT, cyber, enterprise architecture, administration, logistics, and event management. Retiring as a Colonel and Chief of AF Enterprise Architecture, he expanded his expertise working for large, small, tribal, and Alaska Native corporations. Dave earned a Bachelor of Science from the Air Force Academy and a Master of Science from Golden Gate University.
